K & W Products, Inc. SR Series 30", 42", and 48" All Wheel Drive Big Roll Sod Installers are built to install 24" to 48".

Features include:

- 27 hp Kohler engine with a dual air-filtration system
- Optional Diesel engine on 42" and 48" Turf Installers
- Hydraulic transmission exchanges speed for torque
- Front and rear hydraulic wheel motors pull in tandem
- Specially designed hydraulic manifold minimizes wheel spin
- Rear wheel steering allows for tight turning radius
- Single joystick control accomplishes forward/reverse movement and roll-lifting
- 2500 lb. load capability
- Approximately 6 mph ground speed
- Clamp system or traditional bar system available

Call us at toll free **(866) 235-5673** for pricing or additional information.

SR 30 Installer Specifications
